Lt. Van Fleet,

Attached are our responses to your questions and Georgia's licensing statute. Under OCGA 16-11-126, Georgia will recognize weapons licenses of any state that likewise recognizes Georgia's licenses. If there is any issue with continued reciprocity based on our licensing statute, please let me know.

Thank you,
Becky Dobras

Subject: Utah Request for Concealed Permit Info

Ms. Dobras—

The State of Utah recently established a provisional permit to carry a concealed firearm for individuals at least 18 years of age who meet statutory eligibility requirements. With that change to the law, Utah's Bureau of Criminal Identification is attempting to contact each state's concealed weapon regulatory authority to establish the extent to which Utah's concealed firearm permits will be honored.

Please see the attached document for detailed information and a questionnaire. Thank you in advance for your time in assisting the State of Utah in this matter.

Sincerely,

Lieutenant Ryan Van Fleet

Utah Concealed Firearm Permit Questionnaire

Does the state of Georgia recognize Utah's Concealed Firearm Permit?

- Regular (21 and over) Utah Code § 53-5-704
- Provisional (18-20 year olds) Utah Code § 53-5-704.5
- Both *Provided that Utah continues to recognize all of Georgia's weapons licenses.*
- Neither

Does the state of Georgia currently offer a concealed firearm permit/license to qualified individuals aged 18 to 20? *See OCGA 16-11-129*

If found to be lawful, would the state of Georgia be interested in entering into a formal reciprocity agreement with the state of Utah? *(if Utah so requires - Georgia does not require that)*
